

COVID-19 PROTOCOL WRC RALLY TURKEY

Since the COVID-19 pandemic is not fully terminated, the risk remains until an effective solution.

All national and international competitors and officials; before coming to turkey fill in the survey on the website.

Turkey health ministry proposes standard recommendations to prevent the spread of COVID-19 include frequent cleaning of hands using alcohol-based hand rub or soap and water; covering the nose and mouth with a flexed elbow or disposable tissue when coughing and sneezing; and avoiding close contact with anyone that has a fever and cough.

If you feel a fever, cough and difficulty breathing, seek medical attention, please call by telephone the Anti-Covid 19 Director in advance and if possible follow the instructions of Rally of Turkey Covid 19 protocol.

The contacts of the Anti Covid-19 Director are as following:

Ece Bergen, Mobile Phone no- +90 554163 2605, Email: anticovid@rallyturkey.com

All competitors and officials from quarantined countries will be subjected to COVID-19 measures are as follows:-

After coming to Turkey

At designated points in Marmaris COVID-19 tests will be carried out.

Until the results of the COVID-19 test are released all competitors and officials will be subjected to mandatory quarantine at their hotels.

For the competitors and officials that test negative to COVID-19 they will be allowed to access all the event areas. (All competitors and officials with a negative test results will be given a bracelet and a name badge barcode indicating that the result is negative).

All competitors and official will have a 2nd COVID-19 test carried out between 5 and 7 days after entering Turkey.

After testing you are able to return to your own country.

All competitors and officials from countries where quarantined is not subjected to COVID-19 measures are as follows:-

All competitors and officials will have a COVID-19 test in Marmaris after they have arrived in Turkey.

Until the results of the COVID-19 test are released all competitors and officials will be subjected to mandatory quarantine at their hotels.

For the competitors and officials that test negative to COVID-19 they will be allowed to access all the event areas. (All competitors and officials with a negative test results will be given a bracelet and a name badge barcode indicating that the result is negative).

They will be able to return to their own countries without any further testing.

· The location and time of the COVID-19 tests will be communicated individually as soon as the 'Team Arrival Forms' arrive at the organizer.

· On time submission of the team arrival forms and individual COVID-19 form is extremely important to all accreditation holders (competitor, staff, collaborator, FIA and media officers).
