With reference to Article 12.16 of the Supplementary Regulations, the location of the finish ceremony will be in the Rally Village in the Service Park.

All crews selected for the Live TV Power Stage (except the rally winner – see below) must drive their cars into the final Parc Fermé immediately after having checked in at TC17A. The crew members must then immediately proceed to the driver holding area adjacent to the Podium. They must remain there until dismissed by an official. The last of the selected cars – if the rally winner - must not stop at the Power Stage stop control nor at TC17A but drive straight to the podium in the Rally Village following the route on the attached map. Their time card will be completed on the podium.

All crews outside the Live TV window shall check in at TC17A and then proceed directly to the final Parc Fermé and remain with their car until dismissed by an official.

The procedure at the podium will be as follows:
