Subject: STEWARDS DECISION NO. 6

Document No: 2.7

To: The Competitor HENNING SOLBERG of car No. 43  
Crew Henning SOLBERG / Ilka MINOR

The Stewards, having received a report from the FIA Technical Delegate, summoned the above crew members as well as a competitor's representative, have considered the following matter and determine the following:

**Facts** The rear differential in car 43 was changed in service E during Saturday and the competitor failed to send a notification to [wrc-technical@fia.com](mailto:wrc-technical@fia.com) as specified in the applicable regulations.

**Offence** Art. 63 of the 2019 FIA WRC Sporting Regulations.

**Decision** Reprimand under Art. 12.3.1.a of the 2019 FIA International Sporting Code.

**Reason** The Stewards heard from the competitor's representative Mr. Osman Tuter on Sunday, 15.09.2019, at 10:50 hrs. He explained that they had decided to change the component during the 40' service time on Saturday, so were not able to notify this change in advance. As a scrutineer was observing the change of the component and also noted the seal numbers of the new part, they thought that they would not need to additionally submit a notification by email. They are now aware of the correct procedures and apologized for this lapse.  
The Stewards explained the reasons why it is nevertheless and in all cases necessary to send a notification as required by the applicable regulations.

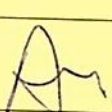

The right to appeal this Decision is stipulated in the 2019 FIA International Sporting Code and in the 2019 FIA Judicial and Disciplinary Rules.
