- It is obligatory for the drivers and all passengers in the car to use seat belts in the front seats.
- In densely populated areas there is a speed limit of 50km/h unless specifically shown with traffic signs.
- In Turkey it is forbidden to drive under the influence of alcohol or drugs.
- Drive on the right overtake from the left. Give way to any vehicle, including bicycles, coming from the right.
- Give way to pedestrians. Do not overtake a stationary vehicle which is within 5 metres of a pedestrian crossing or a vehicle which stops you from seeing the pedestrian crossing.
- Please overtake only when you can return to your own lane without endangering traffic.

Speed Limits

Urban areas	50 km/h
Dual carriageways	110 km/h
Motorways	120 km/h

There are other speed limits indicated with traffic signs.

In Case of an Accident

The accident should be reported to the police or gendarme. That report has to be certified by the nearest local authority. The owner should apply to the customs authority with his passport and report. If the vehicle can be repaired, it is necessary to inform the customs authority first and take the vehicle to a garage. If the vehicle is not fixable and if the owner wishes to leave the country without his vehicle, he has to deliver it to the nearest customs office, and the registration of his vehicle on his passport will be cancelled. (Only after the cancellation the owner of the vehicle can leave the country.)

In case of an accident 154 (Traffic Police) or 156 (Gendarme) should be called.

Visa Requirements

Visitors who are not exempt from entry visa must obtain their visas or schedule an appointment with the Turkish Consular offices via Pre-Application System for Turkish Sticker Visa (www.visa.gov.tr). The applicants who meet the requirements will be directed by the Pre-Application System for Turkish Sticker Visa to the e-Visa system (www.evisa.gov.tr) In those countries where Turkey does not have a consular representation can also use online scheduling for appointments with the nearest accredited consular office of Turkey.

Further information can be obtained from <http://www.mfa.gov.tr/visa-information-for-foreigners.en.mfa>

On request TOSFED will contact the relevant Turkish Consulate to ensure that entry visas are granted promptly and easier.

Visa regime for truck drivers of a country may differ from the overall visa regime effective for citizens of that particular country. For further information, please contact the nearest Turkish mission.
