ITINERARY for Friday, 18.09.2020 - Passage Control

On Section 1 on Friday, 18.9.2020, between TC0 and TC1 there will be a passage control (PC) at the Marmaris Atatürk Statue.

At the location of this PC there will be official arch together with a ramp for the presentation of the drivers and co-drivers in front of a media podium and next to a Protocol-grandstand.

When entering the ramp, driver and co-driver should stop and get out of the car to allow the media to take some photographs. There will be no interviews on the ramp. After getting back inside the car, an Official will wave through the car with the Turkish flag and the drivers should leave the ramp.

The complete area around the Marmaris Atatürk Statue is security fenced, no spectators are allowed inside the area (the area is under control by Police and Safety Officers), further details are shown in Attachment 1.

There will be no target time for this passage control, but however, to have a clear order at the ramp, the drivers are requested to pass the PC

30 minutes after their individual start time at TC0.

Following a reminder of Bulletin 1 / COVID-19 Delegates Notes:

PASSAGE CONTROLS (WRC Art. 43).

At these controls, the marshal will simply mark the car number on his check sheet as soon as the car stops at the control, without mentioning the time of passage, and show the check sheet to the co-driver.
