

## REQUIREMENTS AND LIMITATIONS RELATED TO THE CORONAVIRUS

Due to the current worldwide pandemic with the coronavirus, to enable the event to accommodate competitors from all around the world, there are specific protocol that will be MANDATORY for teams, media, officials, and all other sport-related attendees and competitors to enter Turkey specifically for Rally Turkey 2020:

Must not have any symptoms of illness;

When they arrive in Turkey everybody must go to the designated test areas in order to do the Covid-19 test within 24 hours. They have to remain self-isolation until taking the test and receiving the results (estimated 6-8 hour results return)

The cost of test is approx. 70EUR. Can be paid by cash or credit card

Only persons who have tested negative for coronavirus in Marmaris upon arrival in Turkey will be accredited for the event. Access to the Rally HQ, Media Centre, and all areas of the Service Park will be access controlled from 08:00 on 11st September 2020.

Must constantly monitor personal health status and to be subject to random health checks (body temperature measurement, testing) while in Turkey.

The social distance rule of 1.5 meters must be followed continuously.

It is mandatory to wear a mask in open and closed areas.

Details for testing locations and links to online forms will be provided separately by the Organiser upon receiving the registrations.

Including crew each Stakeholder will be asked to fill in a questionnaire in order to nominate all people that they want to be accredited for access to the Rally HQ or Service Park (Red Zones).

In order to specify the team members, the team managers are required to fill in a questionnaire per each team member, link to be sent by e-mail.
