Subject: STEWARDS DECISION NO. 1

Document No: 2.2

To: All competitors / crew members

The Stewards, having received a request from Michelin and having consulted with the FIA, with the FIA Technical Delegate and with the Clerk of the Course, have considered the following matter and determine the following:

Facts Michelin requested to allow P1 competitors to change wheels in the final parc fermé and at final scrutineering due to logistical reasons.

Decision Notwithstanding WRC Art. 63, the Stewards grant permission to change wheels of WRC cars in the final parc fermé under the following conditions:

1. maximum two team members per car may enter the parc fermé and work on the car under the supervision of a scrutineer / marshal
2. only equipment carried on board the competing car may be used
3. an extra car jack may be brought by the team members
4. only the action directly involved in the change of wheels is permitted

For those cars selected for final scrutineering, the wheel change may be carried out by the team personnel attending the scrutineering and as instructed by the FIA Technical Delegate on site.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
