2. Amendments to the supplementary regulations of the rally

12.5 Finish procedures – add:

The finish ceremony will be held in the Rally Village in the Service Park. All crews selected for the Live TV Power Stage must make their way immediately to the driver holding area adjacent to the Podium after placing their car in the Parc Ferme after TC12A. They must remain there until dismissed by an official.

The last of the selected cars – if the rally winner - must not stop at the stage stop control or TC12A but drive straight to the podium in the Rally Village following the route on the attached map (**Attachment 1**). All crews outside the Live TV window should drive immediately to 12A and Parc Ferme and remain with their car until dismissed by an official.

The procedure at the podium will be as follows:

The official outright podium for Rally Turkey will be included in the Live TV coverage from approximately 14:15 – 14:30:

- Winning driver & co-driver celebrate in the podium area include roof celebration
- Interview with WRC TV for Live TV

There will then be a top 3 podium celebration on the top level of the podium:

- 3rd Place
- 2nd Place
- 1st Place
- Winning manufacturer

Following the Outright Live TV podium, there will be ceremonies for:

- WRC 2 Top 3 in reverse order
- WRC 3 Top 3 in reverse order

Any competitors required for these ceremonies should follow the directions of the officials and drive along the route on the attached map.

Out of respect for local customs there will be no champagne sprays for any podium ceremonies.

Teams are forbidden to dismantle any external structures in their service area until after 14:30 Sunday.
